

Senior Research Analyst(s)

Job description:

- Take responsibility for researching the topics in Finance Watch's scope.
- Respond to public consultations.
- Participate in working groups with members and take responsibility for coordinating Finance Watch's members' contributions on specific topics.
- Write research reports and positions papers, in coordination with Secretary General.
- Work in close collaboration with lobbying and communication teams. Take active part in meetings with elected officials, civil servants and regulators.
- Present Finance Watch's work in public.
- Represent Finance Watch at a high level.

Profile / main qualifications:

- Be convinced about Finance Watch's mission.
- Significant relevant experience acquired in working for financial institutions, legal firms involved in financial or financial regulatory matters or for financial trade organisations. It is expected that candidates should have hands-on experience in one or several of the following topics: banking, asset management, asset-liability management, insurance, brokerage, market infrastructures, financial markets, financial products, risk management or legal issues related to financial regulation.
- Very strong technical knowledge of financial issues and of financial regulation.
- Understand the NGO world and be committed to working with Finance Watch's members.
- Full command of English and of at least one other European language.
- Communicate effectively in writing and orally.
- Be a result oriented and self motivated individual.
- Be a team player.

Remuneration:

- Dependent on seniority and work experience.
- Additional benefits: health insurance and pension.

Equal employment opportunity:

Finance Watch is committed to the principle of equal employment opportunity for all employees, regardless of sex, marital status, nationality, religion, age, sexual orientation and any other characteristics unrelated to the performance of the job.

Selection will be in accordance with objective, job related criteria and the appointment will be on the basis of applicant's merits and abilities.

Application guidelines:

Interested candidates are invited to send a letter of motivation and CV and e-mail it by the closing date to: contact@finance-watch.org

Please quote "Application for Senior Research Analyst position" in the title of your e-mail.

Deadline for applications: 19 August 2011

We regret that we will not be able to acknowledge receipt of the applications. As we expect to receive a large number of applications, we will not be able to respond to applicants who have not been shortlisted and we apologize for this in advance. If you do not hear from us within three weeks of the closing date, please assume that you have not been shortlisted.

We look forward to receiving your application.
