

## EFIN's organisation of an EU event

---

On 12th December, in Brussels, EFIN organised its second EU Conference in partnership with ECDN and the EESC. The overindebtedness has been studied through 4 specific perspectives:

- 1) adequate and relevant indicators to be promoted,
- 2) how to clean the market from toxic and unfair products,
- 3) how to detect financial issues at early stage,
- 4) how to increase efficiency in debt treatment via a supportive approach.

More than 180 participants !

All materials are available on EFIN website : [www.fininc.eu](http://www.fininc.eu)

## EFIN's participation to EU projects

---

- **EU Platform Against Poverty**
  - **European Banking Federation** : 9th October 2014, has invited EFIN representative to participate to the **Financial Education Project Group (FEPG)**: working group which has been set up by the EBF and its members to exchange on good practices and to develop a joint approach to promote further, and in a more coordinated and structured manner, financial education in Europe, with involvement of the associations' members. - The first part was about the presentation of EFIN works and views on Financial Education, that was followed by a questions & answers period.
  - **ESBG**, Thursday 30 October 2014 Celebration of the World Savings Day "When long term thinking becomes a challenge ... where do financial institutions stand?"
